

BIODATA – Gurjeet S. Sekhon

Gurjeet S. Sekhon is a distinguished professional with over three decades of experience spanning agriculture, marketing, information technology, and leadership coaching. Known for his exceptional analytical skills and deep expertise in data interpretation, he has made significant contributions to IT education and the travel industry, earning recognition from the Government of Punjab for his outstanding service.

A passionate Rotarian since 1994, Gurjeet is a member of Rotary Club Amritsar Civil Lines. He has served in numerous leadership capacities, including District Governor (2014–15), Rotary Coordinator for Zone 4 & Rotary India (2019–23), and currently as the Action Plan Champion for Zone 4. His leadership has influenced communities across more than twenty Rotary districts in India and internationally.

He has demonstrated remarkable commitment to Rotary training and development, serving as Chairman of the Governor Nominee Training Seminar (2023) and Governor Elect Learning Seminar (2025). He also served as a Facilitator at the Regional Leaders Training Institute in 2021 and as an International Learning Facilitator at the International Assembly in Orlando in 2024 and 2025.

Gurjeet is an internationally certified Marshal Goldsmith Leadership and Life Coach, strengthening his ability to mentor, empower, and inspire leaders worldwide.

He was unanimously elected as **Rotary International Director for 2027–29**, representing **Zones 4 & 7**, one of the highest leadership roles within Rotary International.

His contributions have been honoured with several distinguished recognitions, including the **Service Above Self Award** and the **Rotary Foundation Citation for Meritorious Service**.

At heart, Gurjeet finds his greatest joy in family—his wife, **Rotarian Past President Amandeep**, and their daughter, **Mannat**.

Guided by Rotary’s core principle, “Service Above Self,” Gurjeet S. Sekhon continues to dedicate his life to leadership excellence, community service, and global impact.
